

ARDEA

A woman with dark hair pulled back, wearing a dark, textured, high-necked sweater. She is looking over her right shoulder towards the camera. The background is a solid, light blue-grey color. The lighting is soft, highlighting the texture of the sweater and the contours of her face and hair.

Fall/Winter 2026, Ardea introduces NOVA, set within a reality shaped by observation and discovery. The collection is defined by rugged sensuality and a precise exploration of form, function, and perception.

NOVA, meaning “the beginning,” signals an arrival. This collection offers a uniform for embarkment. The clothing is molded by movement and environment. Therefore, the silhouettes are utilitarian, balancing strength with sensitivity. Nova investigates how garments are built and perceived.
